Minutes Taking Service

Our new service is designed to ensure that your meetings run smoothly and that all key decisions are properly documented whilst you can be focussed on the discussions happening instead of taking notes.

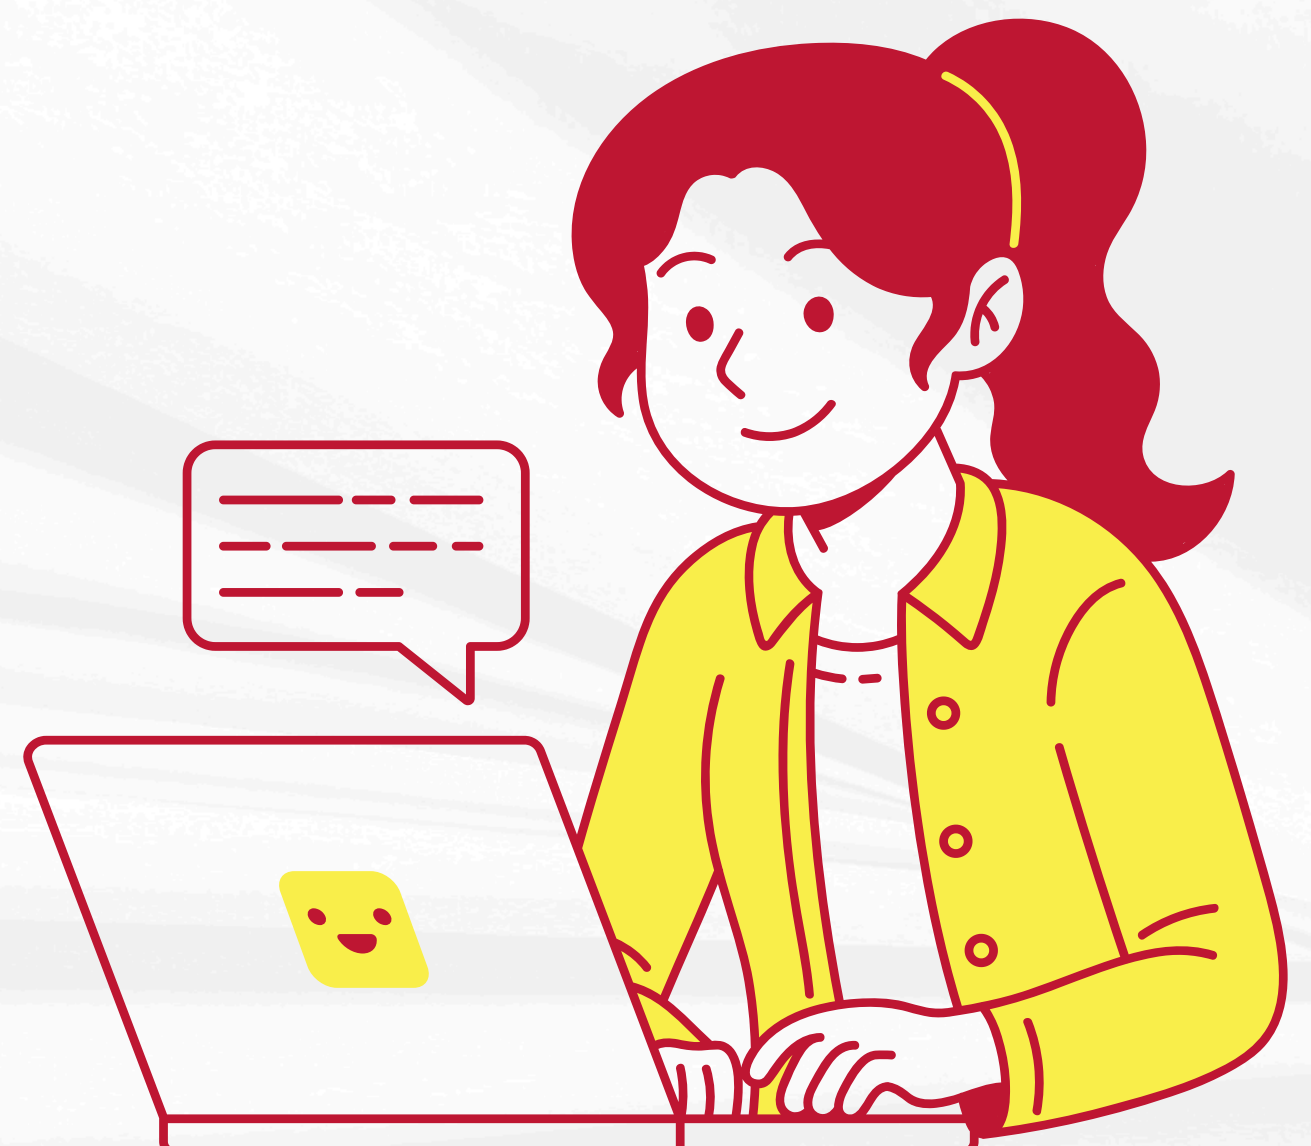

Our service includes:

- Issuing agendas ahead of meetings
- Compiling reports from elected officers
- Accurately recording minutes during the meetings
- Producing and distributing draft minutes for committee approval within a specified timeframe after the meeting

With our support, your organisation can rest assured that all meetings are professionally documented, saving your staff/volunteers valuable time.

Rates are POA, depending on the timing and nature of the meetings.
